NATIONAL ENGINEERING HANDBOOK PART 651
AGRICULTURAL WASTE MANAGEMENT FIELD HANDBOOK
NOTICE WI-41

Chapter 10 of the Agricultural Waste Management Field Handbook (AWMFH) contains the approved pre-engineered waste storage facilities or components. This notice transmits an addition to the previously issued waste storage tanks from Pipping Concrete.

A clarification was added stating that the round tank design is based on a hoop design concept. This design method utilizes vertical construction joints with the horizontal steel passing through the joint. This maintains the continuous hoop reinforcement design concept. There are no control joints in the tank walls.

Filing Instructions:

Remove:

- Directive Tabulation Sheet, dated March, 2014
- Page 10-WI-9 and 10, Pipping Concrete, dated February 2014

Insert:

- Directive Tabulation Sheet, dated October, 2014
- Page 10-WI-9 and 10, Pipping Concrete, dated October 2014

Wisconsin supplements and transmittal notices for the AWMFH can be found on the Wisconsin NRCS web site at <http://www.nrcs.usda.gov/wps/portal/nrcs/detail/wi/technical/engineering/>.

A handwritten signature in black ink that reads "Jimmy Bramblett".
